Clear Glass

Mixed Glass

## Specifications

### DIMENSIONS

Height: 19in / 48cm

Width: 5in / 13cm

Depth: 5in / 13cm

Weight: 3lb / 2kg

Shown with one large and one medium pod

### MOUNTING

Ø5in x .25in Backplate with fixed connection

### MATERIALS

Machined aluminum, mold-blown glass

### BULBS

G4 / 12v / 1.2w / 2700k / dimmable LED,  
transformer provided

Maximum Fixture Wattage: 2.4w

UL, cUL (120V)

## Inspiration

The inspiration for this versatile lighting system came from the natural drape and growth patterns of the Burro's Tail plant. Each component of the spine is machined from solid aluminum and, when assembled, fully articulates within its self-regulated range of motion, creating a rational curvature. The glass shades are mold-blown and illuminated by warm LEDs. Designed by Karl Zahn for Lindsey Adelman Studio.
