L'ARC 36" & 48" SCONCE

The L'Arc sconce was designed with maximum configurability in mind. The brass arms perch on a wooden armature and can be installed horizontally or vertically on a wall, or overhead on the ceiling. Composed of solid brass, calfskin or parchment and american hardwoods, the lamp swivels up to 180 degrees on its armature (left/right when installed horizontally; up/down when installed vertically), while the three brass elbows bend fully to shed light exactly where you want it. Designed to be positioned occasionally versus continually moved. Each lamps has a black cloth cord with on-cord switch and plug...
