SHIPPING Please refer to shipping price list for details

LEAD TIMES Please call for lead time

CONNECTION Non-adjustable hardware: allows the installer to attach the canopy to the ceiling before "plugging in" the individual pendants one by one. Longest and shortest lengths are determined by client and fabricated by Bocci. Note: there may be variance of ±50mm on specified shortest and longest lengths.

OPTIONS Colour pendants - per pendant \$275  
Copper lengths (natural copper) - per 3m increment  
Copper lengths > 3m, up to 9.9m (natural copper) - per 3m increment \$100  
Swag hook (white) and aircraft cable - per set \$140  
Lamps and power supplies included. Please specify 20w xenon or 1.5w LED.

CUSTOM See custom price list for custom orders

NOTES

Specified shortest and longest lengths are from the underside of the canopy to the bottom of the pendant.  
Bocci recommends mounting power supplies remotely in a close, accessible and hidden location for ease of long term maintenance. Installation to be done by certified personnel to ensure code compliance.

\*\*28.1mc & 28sc require power supplies to be remote mounted.

US Patent # D687,740  
EU Patent # 001695834-001 to 004

Made in Vancouver, Canada
